## EXCLUSIVE AND LIMITED EDITIONS PRE ORDER

In Manuel Pardo, we embrace Eco-sustainability by crafting all our garments exclusively made just for you. These pieces are part of Limited Editions, they are exclusive Limited Edition, with a limited stock of high-quality natural fabrics and materials. Each garment is unique and numbered, accompanied by an authenticity card from the brand.

Our garments are handmade using manual tailoring techniques and impeccable English Draping. We use interlinings with body or more rigid to ensure the suit remains wrinkle-free.

When you shop at our online atelier, you'll have access to our stylist via phone call or video conference. The stylist will advise you on finding the perfect look for your special event and will request that you fill out a measurement form, which you can print for added convenience. This process is simple and allows us to advise you on the correct size and address any questions, ensuring that your shopping experience is as if you were at our Atelier in Barcelona.

## STEPS FOR THE PURCHASE OF A SUIT

Explore our online boutique to discover our exclusive designs and looks. To provide you with a personalized shopping experience, we recommend scheduling and appointment with our online stylist.

2 Download the PDF guide explaining how to take measurements to determine your size. Follow the simple steps.
Send these measurements to your stylist via WhatsApp Customer Service 0034617771 511, along with your personal details including Name and Surname, in centimeters or inches. We will confirm the correct size, based on the measurements you provide, and you will be able to complete the purchase process.
If you don't have all the necessary garments for measuring, such as the waistcoat, please send all shirt and pants measurements, and the measurements of the body, which we indicate.
All this process ensures the right sizes. Note that the only item with adjustment room is the pants, which can be widened for an additional size.

After placing your order and completing the purchase, the estimated delivery time is 1 and a half business months or two natural months from the order confirmation + shipping days that vary depending on the country (please refer to the chart in the FAQs to determine delivery days by country) In the case of shoes, the shipping time is $2-3$ weeks. If we have stock available, the time would be one week. It is advisable to consult with the stylist to confirm availability.
